Description

- Durable see-through cube bag that makes it easy to check spill response supplies with a quick glance
- Hook and loop box-lid closure protects the contents and is easy to open for access to absorbents
- Shoulder strap affords comfortable transport to the spill site and makes Kit ideal for conveniently hanging on a wall
- PIG HazMat Absorbents are specially treated for unsurpassed performance with concentrated corrosives, such as 98% sulfuric acid and 30% sodium hydroxide
- Contains temporary disposal bags and ties for neat and convenient disposal of used absorbents
- See-through bag with bold Spill Kit lettering for quick identification

Warnings & Restrictions : Independent testing indicates that PIG HAZ-MAT products are compatible with and absorb most acids and caustics. Due to variables and conditions of applications beyond our control, New Pig cannot guarantee that this prouduct will absorb to your satisfaction. To insure effectiveness and your safety, we recommend that you conduct compatibliity and absorption testing of your chemicals with PIG HAZ-MAT products prior to purchase. If you have any questions or need samples to test, please call your local distributor.
