Description

- Exclusive New Pig formulation features a super-durable, tear-resistant top layer that withstands repeated use and abrasion combined with a flexible, tacky bottom layer that tightly seals drain openings
- Flexible Cover moulds to uneven surfaces to create an instant, temporary drain seal that prevents pollution
- High-visibility yellow top colour draws attention to spill for increased safety; dark bottom colour hides dirt and grime
- Chemical-resistant polyurethane resists water, oil and many chemicals
- For best performance, make sure Cover overlaps drain opening at least 8cm on each edge (max drain size = 45cm x 45cm)
