PRODUCT DATA SHEET

Item Number	:	MAT214
Item Name	:	PIG® STAT-MAT PADS
Liquids Absorbed	:	Oil-Only
Contents/Package	:	100 pads/bag
Colour	:	White
Dimensions	:	38 cm x 51 cm
Composition	:	100% Polypropylene
Absorbency	:	83.6 L/Bag
Weight	:	7.7 Kg

Description

- Stat-Mat Pads and Rolls pass ANSI and MIL spec standards for static decay and surface resistivity, making them perfect for fueling areas and solvent cleanup
- Safely dissipates static electricity — absorbs highly flammable liquids without building up a static charge
- Absorbs and retains oils and oil-based liquids - including acetone, benzene, gasoline, toluene, xylene, mineral spirits and jet fuels - without taking in a drop of water
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
