PRODUCT DATA SHEET

Item Number	:	OB20X6
Item Name	:	PIG® Essentials Oil-Only Boom
Liquids Absorbed	:	Oil-Only
Contents/Package	:	2 booms/package
Colour	:	White
Dimensions	:	20 cm x 610 cm
Composition	:	Polypropylene Filler/Polyester Netting/Plated-Steel Hardware
Absorbency	:	144 L/Package
Weight	:	14.5 Kg

Description

- Strong mesh outer sleeve encases a poly sock skin filled with highly-sorbent polypropylene; filler won't shed and Booms won't sink, even when saturated with oil
- Polypropylene filler is left in its natural hydrophobic state — repels water (and floats) while only absorbing oils and other hydrocarbons
- A nylon rope and sturdy hardware ensure long-lasting durability and easy retrieval
- Durable, easy-to-use connectors provide a simple and efficient way to link Sock/Net Booms together and create a containment system big enough to handle almost any size spill on water
- White colour makes it easy to see when it's fully saturated — you save money by not throwing it away too soon

Warnings & Restrictions	:	When sea-weather condition is wind speed >5 knots & a (perpendicular) water-current speed >2 knots, this can cause oil absorbent booms to submerge, allowing oil to pass over them. Waves higher than freeboard (above water) portion of boom will push oil over absorbent booms; optimal sea-weather condition for usage is typically Beaufort Scale #2 or less.
Recycled Content	:	100% Post-Industrial Recycled Polypropylene Filler
