PRODUCT DATA SHEET

Item Number	: PLP900-1
Item Name	: PIG® Sheen Clean® Loose Absorbent
Liquids Absorbed	: Oil, Coolants, Solvents & Water
Contents/Package	: 1 Bag
Colour	: White
Composition	: Perlite
Absorbency	: 30L/Bag
Weight	: 5 Kg

Description

- Helps reduce slips and falls by quickly absorbing spills and removing the liquid residue that can leave floors slick and dangerous
- Fine, granular absorbent gets into cracks and crevices to help remove trapped liquids; a good final step for spill cleanup
- Quickly absorbs oils, coolants, solvents, water, paint or viscous liquids for easier cleanup
- Specially formulated to minimise dust. Lightweight and easy to use
- Available in single bag (PLP900-1) or a pallet 50 bags (PLP900-50)

Warnings & Restrictions	: Do not use with Hydrofluoric Acid NOTE: Packaged by volume; seasonal variance can affect packaged weight.
