Description

- Versatile design has two surface textures to help you tackle a range of jobs
- Dual-textured material has a smooth side for general use and a textured dotted side for scrubbing
- Ideal for heavy-duty machine and parts wiping, surface prep with solvents or aggressive cleaning
- Spunlace non-woven fabric blends 70% lyocell and 30% polyester for clothlike softness and strength
- For convenience, wipe comes 1/4 folded with textured side out
